

Student Practice Schedule

4 Month - 16 Week Schedule

Start Date: _____

Use the chart below to chart and track your practice. Set an attainable or realistic goal of how much time per day you intend on practicing. Stick to it and increase your time as you progress after each week or month. Use your practice time to work on your fundamentals ... fingerings, tone, embouchure, scales and other, for example. Indicate the actual minutes per day you practice in the appropriate box.
